MOBILIFT HIRE

QH are proud supporters of Drake Music Scotland's #LetMeONStage campaign

The Mobilift CX is completely manual, making it simple to transport and operate. With the turn of a handle you can easily raise and lower wheelchair users to a stage height of 1.52m with access on and off via a ramp.

For a nominal fee and transport costs you can hire the Mobilift for use in your venue.

For further information, please leave your details and return this card to the Box Office/an Usher* or contact: lain McQueen, Operations Manager iainmcq@queenshalledinburgh.org
